Biweekly Report - Period Ending October 12, 1996

International Data Products, Corp. v. DOC; Dunn Computer Corp. v. DOC; I-NET v. DOC – GAO Nos. B-274653, B-274653.2, B-274653.3

GAO convened a telephone conference to discuss scheduling items in this bid protest against the PTO DeskTop procurement, PTO's microcomputer buy. GAO has ruled against consolidating the three protests which will prevent each protestor from participating in each other's protests.

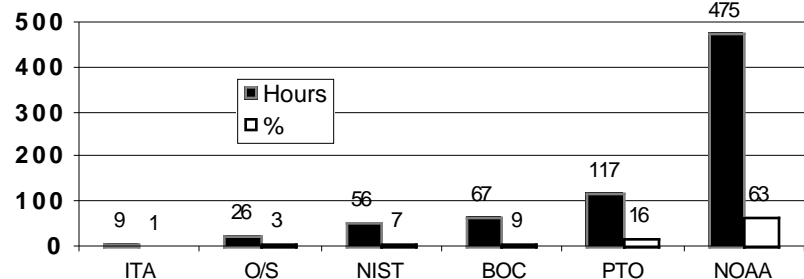

International Data Products, Corp. v. DOC-1:96CV02277 (D.D.C.)

In this suit by one of the above protestors for injunctive relief seeking to reverse the Government's determination that it is in its best interests to proceed with contract award, the judge has denied the TRO, but is allowing Plaintiff to proceed on a motion for a preliminary injunction. Lisa J. Obayashi is lead assisted by Mark Langstein and Catherine Shea.
